The amendment, filed 1/11/07, to the Continuing Data on the first page of the specification has been entered. The Application Data Sheet (ADS) filed 1/11/07 is defective for a priority claim for the GB 91 08386.5 application in that the ADS erroneously claims benefit for the foreign application under 35 USC 119(e) rather than 35 USC 119(a)-(d). Applicants have not perfected the foreign priority claim for the GB 91 08386.5 application. Applicants may correct the foreign priority claim with a substitute ADS claiming foreign priority under 35 USC 119(a)-(d).

The Drawings filed 2/5/07 are acceptable and have been entered.
